another one is looking on sceptically and the third one is watching to

DIE ZWEITE FRONT WIRD NOCH IM JAHRE 1942 GESCHAFFEN!

Deutsche Soldaten!

MAN verheimlicht Euch mit Absicht den Inhalt des Abkommens zwischen der Sowjetunion, England und Amerika. In dem sowjetisch-englischen Vertrag vom 26. Mai 1942 und in dem sowjetisch-amerikanischen Abkommen vom 11. Juni 1942 kamen die drei Großmächte überein, in Europa noch im Jahre 1942 eine zweite Front zu schaffen.

Ihr habt bereits am eigenen Leibe erfahren, was der Krieg allein an der Ostfront bedeutet, denn Hitlerdeutschland geht ja schon im Kriege allein mit der Sowjetunion die Puste aus.

Jetzt aber werdet Ihr's bald verspüren, was die zweite Front bedeutet.

Die Zerstörung von Köln und Essen ist erst der Anfang. Während Ihr tausende Kilometer von der Heimat entfernt verblutet, werden die deutschen Städte in Schutt und Asche gelegt. Die zweite Front bedeutet: **Krieg auf deutschem Boden!**

Nicht umsonst hatte Bismarck seinerzeit gewarnt: ein Krieg an zwei Fronten ist gleichbedeutend mit der schwersten Niederlage Deutschlands.

Der Krieg an zwei Fronten — das bedeutet 50 Millionen Soldaten, 85 000 Panzer, 110 000 Flugzeuge und 90 000 Geschütze gegen Hitler. Gegen eine so gewaltige Macht kann Hitler niemals aufkommen.

Ein Verzweiflungsakt

An den Gebr. August Ros, Fpn. 28537 A, schreibt seine Mutter aus Ummerstadt in Thüringen:

„Vater und der Vienes haben schließlich Deine Ernte eingebracht. Das Korn und der Weizen standen 4 Wochen auf Haufen, und niemand hat eine Fuhr nach Haus gebracht. Nun muß doch gesät werden und ist wieder niemand da, und gedroschen, und Deine Kartoffeln sind heute noch nicht gehäufelt. Das hat alles zu Irmas Verzweiflung beigetragen. Deine Frau wollte ihr Feld in

Ordnung haben. Es war wirklich ein Verzweiflungsakt. Es geht ihr schon besser. Vater war am Sonnabend oben, wollte sie mitbringen, bekam sie nicht.“

Die Frau des Soldaten hat die Sorgen nicht ertragen können: sie machte einen Selbstmordversuch und wurde in eine Anstalt gebracht.

IN DER IRRENANSTALT

Von hier kommt die arme Frau nicht so leicht weg. Sie ist zwar durchaus arbeitsfähig, aber man hält sie fest.

In folgendem Brief schreibt die Mutter an ihren Sohn ins Feld:

„Deiner Frau geht es wieder gut. Eberls Gustav traf sie in der Stadt. Lief sie uns Grüße bestellen. Er sagte, sie sei so dick und schön geworden, warum ihr sie nur dorthin habt. Sie sorgt sich für alles ab. Sie muß tüchtig arbeiten. Sie werden verteilt wie die Gefangenen und noch tüchtig bezahlt.“

Die Kinder springen jeden Abend ans Postauto und warten auf ihren Vater, und vergebens.“

AUSLÄNDER NEHMEN DEINEN PLATZ EIN!

Deutsche Soldaten! Hitler hat Euch Lebensraum in aller Herren Länder versprochen. Nun liegen bereits deutsche Soldaten verscharrt in allen Ländern Europas und in Afrika. Hitler schickt die deutschen Soldaten in der Fremde in den Tod und holt dafür nach Deutschland Ausländer: Franzosen, Italiener, Slowaken, Holländer usw.

Während er im Bunker hockt,

Ausländer pflügen Euren Acker, den ihr nicht mehr bestellen dürft.

Ausländer schlafen in den Betten deutscher Frauen, und wie viele von ihnen sind Soldatenfrauen!

„Sepp, wenn Du auch weißt, daß Dein Frauchen an Dich denkt, kann doch bei Dir Argwohn entstehen — wo mag wohl jetzt meine Frau sein und was treibt sie? Leider gibt es sehr viele solcher

„Ja, lieber Fritz“, schrieb am 24. 5. 42 an den Gefr. Fritz Meißner seine Frau aus Berlin. „Berlin ist international, du hörst fast kein deutsches Wort mehr.“

Landser! Fern der Heimat müßt ihr Eure Köpfe hinhalten, während daheim Ausländer Eure Plätze einnehmen.

Ausländer stehen in den Betrieben an Euren Werkbänken, von denen man Euch weggenommen hat.

vergnügt sich seine Frau mit einem Ausländer.
